

AHP::HistorianVariableRequest  
::serialize

```
graph LR; A["AHP::HistorianVariableRequest::serialize"] --> B["Serializer::serialize"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'AHP::HistorianVariableRequest' on the top line and '::serialize' on the bottom line. The right box is white with a black border and contains the text 'Serializer::serialize'. A dark blue arrow points from the right side of the left box to the left side of the right box.

Serializer::serialize
