    class QAbstractPlotter_graphicCurve["QAbstractPlotter::graphicCurve"]
    QAbstractPlotter_QAbstractPlotter --|> QAbstractPlotter_graphicCurve
```

The diagram illustrates a class hierarchy. On the right is a white box representing the base class, 'QAbstractPlotter::QAbstractPlotter'. On the left is a gray box representing the derived class, 'QAbstractPlotter::graphicCurve'. A blue arrow points from the base class box to the derived class box, indicating that 'QAbstractPlotter::graphicCurve' inherits from 'QAbstractPlotter::QAbstractPlotter'.
